**EC Declaration of Conformity
according to EC directive 2006/42/EC on machinery (Annex II A)**

Herewith we declare, that the machinery described below

product denomination: Mixing pump

Machine type: S36

is complying with all essential requirements of the Machinery Directive 2006/42/EC.

Where appropriate: Harmonised Standards used

EN ISO 12100:2010 - Safety of Machinery - Basic concepts

EN 61000-6-4:2019 EMV - Generic standard: Emission for industrial environments

EN ISO 12100:2010 - Safety of Machinery - Technical principles

EN 61000-6-2:2019 EMC - Generic standards: Immunity for industrial environments

EN 60204-1 :2018 - Electrical equipment of machines

Applied national technical specifications or standards in particular:

-Security regulations for mortar conveying and mortar spraying machines ZH 1/575

-Principles for the examination of work security by the committee of experts of the professional trade association : ZH 1/419

This declaration relates exclusively to the machinery in the state in which it was placed on the market, and excludes components which are added and/or operations carried out subsequently by the final user. The declaration is no more valid, if the product is modified without agreement.

The person authorised to compile the relevant technical documentation:
